Light a candle for someone you love on our new candle stands from St. Patrick’s Cathedral. In the Catechism of the Catholic Church we learn that signs and symbols are very important to human life and that we should incorporate them into our worship. (#1146). Lighting a candle is a great sign that you are praying for someone and that your prayer is heard. Try lighting a candle and praying for someone today. You’ll see why your grandparents thought it was a bright idea!
